

# Hospitality

**For most football fans, the matchday experience begins when the referee blows his whistle at kick off. For hospitality guests, your matchday experience is so much more.**

## **Executive Suite**

Enjoy the game from the comfort of an executive suite for 10 – 20 guests and let us tailor your package to include a 2 or 3 course meal, buffet, pie & wedges or choose to order from our match day menu – enjoy the hospitality experience, your way.
